

HEALTHCARE & WELLBEING

Private Medical Insurance

Aspira provide bespoke consulting solutions for your healthcare objectives. We support you in structuring your healthcare benefits to meet your specific requirements. We can also review the market and procure and implement a cost competitive solution as well as providing ongoing management, continued consultancy and administration of your scheme.

Wellbeing Solutions

Wellbeing Solutions support employees with the everyday healthcare challenges they may encounter with the aim to prevent long-term sickness by providing early intervention. Aspira will help in advising, implementing, and continuing to review such solutions including Health Cash Plans, Dental Insurance, Health Screenings and Employee Assistance Programmes. Offering this additional support to employees can significantly benefit both staff members and help you the employer to maintain a happy, healthy workforce.

Voluntary Healthcare and Wellbeing

Aspira's Voluntary Benefits Solutions are specifically designed to support you in delivering valuable Healthcare and Wellbeing solutions to your employees without incurring the associated costs. By partnering with Aspira you can offer your employees a range of benefits with enhanced features and discounted prices. Our voluntary offering includes Private Medical Insurance, Health Cash Plans, Dental Insurance and Hybrid Health and Wellbeing solutions.

Benefit Design, Procurement and Management

Ensuring you have the right balance between benefits and cost Aspira support employers in all areas of a businesses people insurance, helping you design the right benefit structure to meet you and your employee benefit needs. We'll procure the benefits from an open market, therefore securing the most cost competitivesolution. We'll deal with implementation and provide ongoing management of the benefits on your behalf.
