

LEVITAS INVESTMENT STRATEGY 3

30 June 2020

Risk 3 - Cautious

(Blend reviewed in January 2017)

A risk rating of 3 on a 1-10 scale constitutes a cautious attitude to investment risk, while a rating of 10 would be described as ultra speculative. A cautious investor prefers stable returns even if the long term returns are lower. Your investment will fluctuate and you may get back less than you invest. The blend for Investment Strategy 3 is 90% TM Levitas B Fund and 10% TM Levitas A Fund.

*Ongoing charge is given for Share Class B. The ongoing charge represents the direct costs of running a fund, which are deducted from the assets of the fund and provide a figure that makes the cost of investing across different funds easily comparable. The Annual Management Charge is included in the ongoing charge.

+ Please note totals may vary slightly from 100% due to rounding.

Investment Policies

The TM Levitas A and B Funds are actively managed and are primarily invested in a variety of collective investment schemes.

For the TM Levitas A Fund that includes UK and international equities as well as exposure to fixed income investments and alternative investments.

For the TM Levitas B Fund that will include substantial exposure to fixed income and other types of assets which will remain stable regardless of the market. The TM Levitas B fund will also seek some exposure to UK and international equities, so as to provide an overall stable mixture of income generating assets.

Both funds may also invest in transferable securities, money market instruments, exchange traded funds, cash and cash deposits.

Aspira is a trading name of Aspira Corporate Solutions Limited which is authorised and regulated by the Financial Conduct Authority.
